## How to wash your hands like a pro

1 Wet hands with warm water.

2 Apply soap.

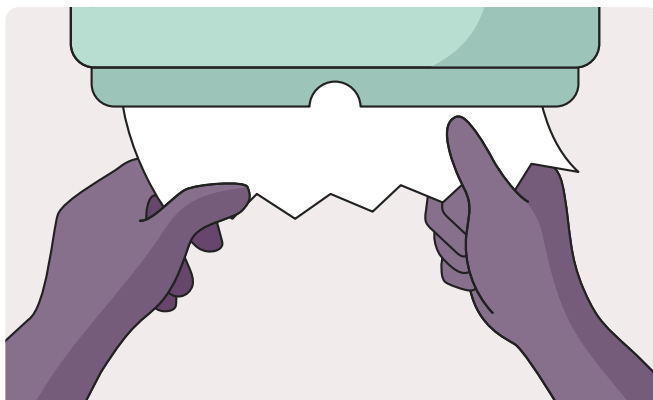

Fun fact: you can sing the chorus of Toto's "Africa" in 20 seconds.

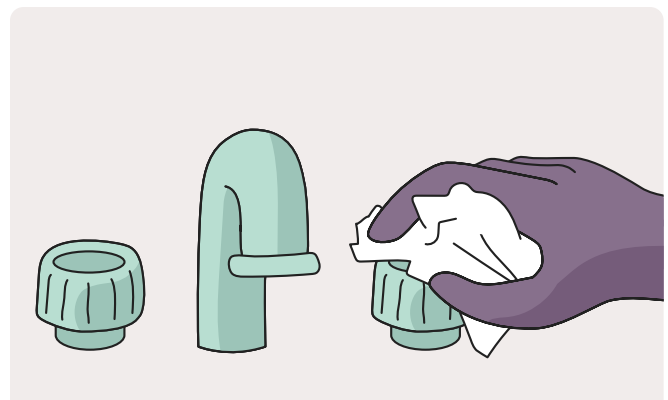

3 Wash hands for at least 20 seconds. Make sure to scrub: your palms, back of hands, between each finger, and under nails.

4 Rinse well.

5 Dry hands with a paper towel.

6 Turn off the tap using a paper towel.
